Description:

Country flag is displayed by default for each Country displayed in Country dropdown list ,but there is no requirement mentioned as a part of acceptance criteria if Flag should be displayed besides Belgium country name or not.

Steps to Reproduce :

- 1.Navigate to <https://www.makemytrip.com/> in any browser
- 2.Click on Country dropdown displayed on top right corner
- 3.Scroll down to check if Belgium country is displayed
- 4.Verify if Flag needs to be displayed besides Belgium country or not.

Actual Result :

Belgium Flag not displayed near Belgium Country as its not specified as per the required .

Expected Result:

Belgium Flag must be displayed near Belgium country name as other country flags are displayed along with the country name.
